Who knows what you'll get for a gimmie...but we decided we wanted to know the following:

Vegetarian Carnivore Food? Who needs food? I'm on a liquid diet!

Please read, understand and sign:

I understand that by its nature, hashing may be a potentially harmful activity that may include running, walking, climbing, swimming, and the consumption of alcoholic beverages. I also certify that by signing this release that I am not entering into this agreement under any form of duress and that I am an adult of legal drinking age in the State of Florida. I also agree that I hold harmless the members, officers and others affiliated with Tampa Bay Hash House Harriers (TBH3) and Riverboat Resort and that any potential litigation arising from this event shall be handled under the jurisdiction of the courts and laws of the State of Florida. In short, I am an adult that is responsible for myself, and if I get hurt, it's my own damned fault!
